indian environmental association

The Indian Environmental Association (IEA) is organising its 16<sup>th</sup> International Conference **EnviroVision 2024** on 18th [Thursday], 19th [Friday] and 20th [Saturday] January 2024 in Mumbai. EnviroVision Conference could not be organised during the years 2021, 2022 and 2023 due to the COVID pandemic. This is the only event in the country, where Environmental Professionals discuss and interact on all aspects of Environmental Technologies and Management.

**EnviroVision** delegates represent Engineers, Scientists, Academicians, Planners, Regulators, Students and Concerned Citizens. The **EnviroVision 2024** conference will have renowned speakers from India and abroad, who will share their experiences in Environmental Technologies and Management. There will be display of informative catalogues, posters and commercial presentations.

This year's conference will focus on **Environmental, Social, and Governance [ESG]** concerns. The subjects covered would be Water and Waste Water Management including Zero Liquid Discharge [ZLD], Air Pollution Control and Solid and Hazardous Waste Management. Safety and Sustainability issues will be covered. Emphasis will be on new technologies.
